

Hiroshima Peace Tree Planting

Artwork by Melinda Randolph

City of Cottage Grove

Monday, Feb 17th at 11am in Coiner Park, 1313 E. Main Street

City of Creswell

Saturday, April 25th at 12-1pm Location TBD

Two ginkgo biloba trees that were grown from seed collected from trees that survived the atomic bombing of Hiroshima 75 years ago will be planted in both cities. These trees represent a living connection to an event associated with the end of a historic war, the resilience and persistence of life, and a reminder of the importance of maintaining peace.
