

Want to be part of the YAC?

Middle School or High School age youth can apply now for the Cottage Grove Youth Advisory Council

What is the YAC?

The YAC was created in 2004 by the City of Cottage Grove to provide an opportunity for the youth of the community to participate and voice their concerns regarding local issues and challenges.

How much time does the YAC take?
YAC activities take as much time as you want to put in. Other than the regular meetings, YAC activities don't require a lot of time.

What does the YAC do?

The YAC meets regularly to discuss community issues and develop ideas for projects or activities. YAC members have testified before State Senate & House Committees, been responsible for creating and passing state legislation, made presentations to the City Council, been on the radio, run a backhoe and identified organisms at the sewer plant.

When does the YAC meet?

Currently, the YAC meets on the 1st and 3rd Monday every month from 6:15 pm to 7:30 pm.
