## **Cottage Grove Student Wins First Place in Statewide Mayors Contest**

SALEM, Ore. – **Kassidy Poetzl, a 12th grader at Bridge Charter Academy in Cottage Grove**, won the first-place prize for her video in the Oregon Mayors Association’s (OMA) “If I Were Mayor...” civic awareness contest.

Each year, students statewide compete in three age groups using different media, describing what it would mean if they were the mayor of their city. Posters are designed by 4th and 5th grade students, 6th through 8th grade students write essays, and 9th through 12th grade students produce a short video.

The competition begins with a local contest conducted by mayors. The local first-place winners are entered in the state-level competition in the spring, which is judged by members of the OMA Judging Committee. Twenty-six cities participated in this year’s contest at the local level, with 46 entries being forwarded to the state-level competition.

As a first-place winner, Kassidy will receive a check for \$500. Other first-place prize winners in the state competition were:
