Sewer Problems? Call the City First!

If you use Cottage Grove's municipal sewer system, and if you have a problem with your sewer service, our staff can help. The Cottage Grove Public Works department answers calls 24 hours a day, including weekends and holidays. City staff is on call and can determine if the issue is within City infrastructure – which the City will fix at no cost to you – or if you need to call a plumber. Call 541-942-9145 to report a sewer backup, or any other emergency sewer-related problem.

Quote of the Week:

“March is the month that winter and spring collide. And boy, do they collide.”
