

MEMORANDUM

TO: Mayor and City Council
FROM: Mike Sauerwein, City Manager
SUBJECT: Friday Update
DATE: March 22, 2024

Wood Debris Drop Site Closing

On March 25th the wood storm debris drop site off Monroe Street at Bohemia Park will be closing. The site will have been open for nearly 2 and half months. City staff and the contracted tree trimming companies will be completing the woody debris and tree trimming, addressing the safety issues on City property. City staff will be doing one last City wide tree branch and limb pick-up on March 25th and 26th. Property owners are encouraged to complete their clean up by March 25th. Cleaning up after the ice storm has been a monumental task. The City thanks the contractors, property owners, and staff for the incredible work everyone has done to clean up and restore our beautiful City.

Public Works and Community Development Director on KNND
