

MEMORANDUM

TO: Mayor and City Council

FROM: Richard Meyers, City Manager

SUBJECT: Friday Update

DATE: July 14, 2017

Yard of the Week

The Yard of the Week this week is located at 132 Village Drive. This yard is neatly groomed with edged yards and beautiful flowers. We are half way through the Yard of the Week season so keep sending in your nominations.

Bohemia Mining Days

The 58th Annual Bohemia Mining Days Festival is in full swing. There are all kinds of things happening in Coiner Park with vendors, food, wine & beer and entertainment. The carnival is in Bohemia Park at 10th & Main Street and runs through Sunday. There will also be a train stop at All-America City Park through Sunday. The Home Free Concert is tonight at 8:00 pm at Bohemia Park Amphitheater and tickets are required. The Grand Miners Parade is at 10:00 am on Sunday and goes from 10th Street to Main Street to Gateway. Check out the Bohemia Mining Days web page for details about all the events and be sure to join in the fun.

Symphony at Bohemia Park Amphitheater

The Eugene Symphony will be performing at the Bohemia Park Amphitheater on Monday, July 24th. At 5:30 pm there will be an instrument petting zoo, 6:30 pm the Community Band will perform and at 7:30 pm the Eugene Symphony will perform. This event is free so join us on July 24th for an evening of music. Symphony Candy Bars are available for \$5 to help support the Symphony and can be purchased at City Hall and at the Community Center/Library.

Chili Cook-Off and KNND Rock, Roll N' Rumble

The Chamber of Commerce Chili Cook-Off is scheduled for all day Saturday, July 22nd at 8th and Main Streets, in conjunction with KNND's Rock, Roll N' Rumble Car Show and Street Dance. The Show-n-Shine is all day on Saturday on Main Street downtown, followed by a "cruise" from CG High School to Main Street and ending with a street dance from 8:30 to 11:00 pm.

Mark Your Calendar

On Saturday August 5th, the City's Public Works Crew will join the Party in the Park event at Coiner Park. We will have equipment on display and staff present to share the many things they do to keep Cottage Grove operating and safe. There will be displays from our Utilities Division (Transportation System, Water Distribution, Sewer Collection, and Storm Drainage), Water

Production Division, Wastewater Treatment Division, and the Maintenance Division. We are looking forward to meeting with you and being out in the community. Please plan on joining us from 11:00 am to 1:00 pm at Coiner Park.

Elm Street Storm Drainage

The Public Works & Development Utility Crew was busy this week installing a new storm drain on Elm Street. This will help drain a portion of Elm Street that creates a pond during the rainy season. The crew did a great job in installing the new drain pipe without damaging a web of underground power, gas, and phone lines.

South Lane Wheels

South Lane Wheels is moving forward and needs your help. They are currently trying to discover what you want in your local bus service. By taking the time to take their 5 minute survey, you are helping them to reinvent their brand and to better serve you. Click the following link to get started. <https://www.surveymonkey.com/r/Southlanewheels>

Quote of the Week

“Listen to the silence. Listen to your life. Be present, not just think about what's going on next week, next month.”

~ Mike Dirnt~
