Property Line Adjustments

4.3.210 Property Line Adjustments

A Property Line Adjustment is the modification of lot boundaries, when no lot is created or removed. The application submission and approval process is as follows:

A. Submission Requirements. All applications for Property Line Adjustment shall be made on forms provided by the City and shall include information required for a Type II application, as governed by Section 4.1.300. The application shall include a preliminary lot line map drawn to scale identifying all existing and proposed lot lines and dimensions; footprints and dimensions of existing structures (including accessory structures); location and dimensions of driveways and public and private streets within or abutting the subject lots; existing fences and walls; and any other information deemed necessary by the Community Development Director or designee for ensuring compliance with City codes.

B. Approval Process.

1. Decision-making process. Property line adjustments shall be reviewed by means of a Type II procedure, as governed by Section 4.1.300, using approval criteria contained in Section 4.3.210.C below. The road authority(ies) shall be notified of lot line adjustments that may affect property access or traffic volumes or operations on their facilities.

2. Time limit on approval. The property line adjustment approval shall be effective for a period of one (1) year from the date of approval, during which time it must be recorded.

3. Lapsing of approval. The property line adjustment approval shall lapse if:
   a. The property line adjustment is not recorded within the time limit in Section 4.3.210.B(2);
   b. The property line adjustment has been improperly recorded with Lane County without the satisfactory completion of all conditions attached to the approval; or
   c. The final recording is a departure from the approved plan.

C. Approval Criteria. The Community Development Director or designee shall approve or deny a request for a property line adjustment in writing based on all of the following criteria:

1. Parcel Creation. No additional parcel or lot is created or removed by the lot line adjustment;

2. Lot standards. All lots and parcels conform to the applicable lot standards of the land use district (Chapter 2) including lot area, dimensions, setbacks, and coverage, and no resulting lot is wholly comprised of a flood hazard area or jurisdictional wetland;

3. Access and Road authority Standards. All lots and parcels conform to the standards or requirements of Chapter 3.1 – Access and Circulation, and all applicable road authority requirements are met. If a lot is nonconforming to any City or road authority standard, it shall not be made even less conforming by the property line adjustment.

D. Recording Property Line Adjustments.

1. Recording. Upon the City’s approval of the proposed property line adjustment, the applicant shall record the property line adjustment with Lane County before the decision expires, and submit a copy of the recorded survey map to the City, to be filed with the approved application.

2. Time limit. The applicant shall submit a copy of the recorded property line adjustment survey map to the City prior to the issuance of any building permits on the re-configured lots.
