Librarian

Join our library team to deliver outstanding services and programs to all ages. As a Librarian, you'll assist patrons, manage collections, and design engaging events. You may specialize in Youth Services, Adult Services or Technical Services based on your skills and interests.

The ideal candidate holds an ALA-accredited MLIS (or equivalent experience) with 1–2 years in a public library, assisting patrons and managing collections. They're comfortable using an integrated library system and troubleshooting basic tech. Creative and organized, they design engaging programs for youth or adults, communicate effectively with diverse community groups, and balance independent projects with teamwork.
