

MEMORANDUM

TO: Mayor and City Council

FROM: Richard Meyers, City Manager

SUBJECT: HOMELESSNESS DISCUSSION AND DECISION ON HOW TO MOVE FORWARD

DATE: April 6, 2022

Background

We held the Town Hall on Tuesday evening with an amazing number of community members participating.

I have provided a copy of the summary report that only includes the responses that were collected by the online polling. We have a 4 inch thick stack of cards that contain written responses that staff will be entering into the polling tool. We will try to have updated reports that contain the written comments and reported table talk.

Recommendation

That the City Council discuss the input they received and consider steps to move forward on homelessness in Cottage Grove.

Cost
