MEMORANDUM

TO:

Mayor and City Council

FROM:

Jeffrey A. Groth, Interim Police Chief

SUBJECT:

CONTRACT FOR BODY-WORN CAMERAS AND RELATED

OFFICER SAFETY EQUIPMENT

DATE:

December 07, 2022

Background

As a result of need and recent community input, staff has been working to implement a bodyworn camera program for the Cottage Grove Police Department and procure the associated equipment.

Body worn cameras (BWC) have become an industry standard and are commonplace in Oregon policing. Interim Chief Groth recognized the need for BWC immediately upon his arrival the first of August and was surprised that CGPD was not utilizing them. The arrest on September 1st of this year simply reinforced the need for BWC, as have multiple other incidents.

There are many vendors that can provide BWC, but Axon is the only vendor that can provide an entire BWC program that includes the cameras, cloud-based digital storage and Conducted Energy Devices (CED), commonly known as Tasers. Axon has also been selected by the League of Oregon Cities through a competitive bid process and has secured a cooperative purchasing agreement allowing any agency to purchase from the contract.

Utilizing a cooperative purchase agreement saves cities, like Cottage Grove, countless hours of staff time and resources preparing and securing their own individual bids and contract. Cooperative purchase agreements, or "piggybacks" as they are often referred to, are common and frequently utilized by cities. The cooperative purchase agreement and contract have been reviewed by the City Attorney and found to be compliant with the city's purchasing rules and state law.

Axon provides BWC programs to cities throughout Oregon, including about thirty-two (32) cities comparable in size to Cottage Grove. Just some of the cities currently using Axon BWC include Tillamook, Sherwood, Tigard, Tualatin, Grants Pass, Central Point, Phoenix, Talent, Rogue River, Medford, Bend, Springfield, Corvallis and Roseburg.

The contract for review tonight is a five (5) year contract, which is common for this type of technology. The payment structure breaks down the entire cost of the contract into five (5) equal payments. The total cost of the five (5) year contract is \$205,700, which equates to five (5) equal payments of \$41,140. The five (5) year contract provides an annual savings of \$7,198.20

compared to purchasing all the equipment and services separately on annual one (1) year contracts.

While not anticipated and specifically budgeted for in this year's current fiscal year budget, staff has identified available funds in the Narcotics Fund, which can be used for law enforcement activity, that will cover the first year of the contract. The remaining funds will be budgeted through the annual budget process. Interim Chief Groth has identified this purchase, and the implementation of the BWC program, as a priority for the Cottage Grove Police Department and believes this expenditure of funds represents an important investment in the professionalism and future of the Cottage Grove Police Department.

The five (5) year contract includes the following equipment and services (all equipment is brand new and the latest available version);

- Fifteen (15) cameras and uniform mounts, docking stations for charging and uploading data, Signal Sidearm devices for automatic camera activation when firearm is drawn and full 5year warranty on all devices
- All associated and necessary licensing and software for devices. Software includes livestreaming and GPS location information for officer safety, redaction tools and unlimited storage for each camera
- Equipment refresh, which includes new & updated cameras and docking stations at thirty (30) and sixty (60) months
- Professional services, including initial on-site support and configuration and training
- Fifteen (15) Taser 7 CED and all associated hardware, software, accessories, training and extended warranties. Taser 7 CED are only sold as part of a bundled package

Recommendation

It is staff's recommendation that Council approve the resolution for the contract.

Cost

Total contract cost is \$205,700 equally spread over 5 years.
