

## MEMORANDUM

TO: Mayor and City Council

FROM: Richard Meyers, City Manager

SUBJECT: COST OF LIVING ALLOWANCE FOR CITY MANAGER

DATE: August 9, 2023

### Background

All regular full-time staff salaries have been adjusted by a Cost of Living Allowance of 5% beginning July 1, 2023. The only remaining regular fulltime employee salary that has not been adjusted is the City Manager salary.

### Recommendation

That the City Council, by motion, increase the City Manager salary by the Cost of Living Allowance of 5% effective July 1, 2023.

### Cost

Monthly COLA cost \$632.90.
