### **ATTEMPT TO LOCATE / MISSING PERSON** **ROBERT RICHARDSON**

On February 14, 2012, 60 year old Robert Richardson disappeared from the Cottage Grove area. Family members last had contact with him via telephone in the early hours of that day. He told family that his vehicle would be on Gowdyville Road near mile post 3. His vehicle, a red 2003 Ford Ranger pickup truck 4x4 extra cab, OR/ZXC603 was located on Gowdyville Road. It is believed that Mr. Richardson disappeared from near that area, and may have a bicycle.

Richardson is a white male adult, 6'1" 280-300 lbs. He is balding with gray hair and beard. He wears glasses and has limited mobility. It is possible that someone assisted Richardson in leaving the area and gave him a ride to another location. CGPD would like to speak with anyone who may have had contact with Richardson leading up to that day, or who may have given him a ride.

The above photos of his vehicle are from the date of his disappearance and has stickers on the rear window: a yellow "O", "Dad" decal and a white "Duck" decal.

CGPD is asking the public for help in solving Richardson's disappearance. Anyone with information or who may have seen Richardson, is asked to contact the Cottage Grove Police Department.
