

Job Opening for a Water Treatment Plant Operator Public Works & Development Department

Application Deadline is January 15, 2020

The City of Cottage Grove is now accepting applications for a Water Treatment Plant Operator for our Public Works & Development Department. The Water Treatment Plant Operator performs a variety of tasks necessary to the operation and maintenance of the City's Row River Water Treatment Plant. The treatment plant is a Pall membrane filtration facility capable of treating 6 MGD. This position requires a State of Oregon Water Treatment Level I Certification. Cottage Grove is home to 10,145 residents in the Southern end of the Willamette Valley and is a gateway to recreation leading to Cottage Grove and Dorena Reservoirs, the Row River Trail, and the Umpqua National Forest. Peace Health operates a full service hospital and care provider facility, and South Lane School District has a new elementary school and a fairly new high school. Cottage Grove is small town living at its' best.

Pay range: \$3,843 to \$5,304 per month.

Full job description and application materials are included with this announcement or available at Public Works & Development Department at City Hall.

Job posting opens December 16, 2020 and closes on January 15, 2021.
