

## **CONSTRUCTION CORNER**

### ***(JULY 26, 2019) UPDATE:***

The lane shift in S River Road at the Swinging Bridge Project will continue during week days through Friday, August 2.

Be alert for very short-term lane closures due to moving equipment, otherwise S River Road will remain open during the lane shift.

Watch for bicycles merging into the traffic lanes as well as construction equipment, such as dump trucks and loaders.

[Click here for more details on the Swinging Project!](#)

Please drive cautiously, observe all construction signage, and use alternate routes if possible.

**Construction is weather-dependent and the weekly schedule is likely to change.**

---

The traveling public should anticipate delays traveling or near the construction. Please drive cautiously, observe all construction signage, and use alternate routes if possible.

These projects are weather-dependent and the weekly schedule is likely to change.

Please call Public Works Engineering at 541-942-3340 with any questions.
