Sanitary Sewer Repairs Project - 2018

The intent of this project is to replace sanitary sewer mains that are collapsing due to age.

This week, H&J Construction nearly completed the reconstruction of the 8" sanitary sewer main located within the alley between S 3rd Street and S 5th Street, south of E Washington Avenue.

During the week of October 1, H&J is scheduled to complete the following work:

- Monday, 10/1 through 10/5: Complete replacement of the existing 6" sanitary sewer main with new 8" sanitary sewer pipes in the alley between S 3rd Street and S 5th Street.
- Complete paving of all repair patches at S 7th & Adams, S 1st Street & Van Buren Avenue, as well as at S 3rd Street.

Please drive patiently and safely through all work zones!
