

The City of Cottage Grove is recruiting for a
PLANNING TECH
Public Works & Development Department
Application Deadline: 5:00pm, April 27, 2018

The City of Cottage Grove is now accepting applications for the Planning Tech position. The Planning Tech performs current planning duties for the Public Works & Development Department, including administering the Development Code, functioning as a primary public contact for the Department on land use issues, and issuing building permit and land use applications. This position will assist the City Planner in development of long range plans, implementation of planning projects, and in the administration of daily code enforcement functions and other land use planning activities.

Cottage Grove is home to 9,920 residents in the Southern end of the Willamette Valley and is a gateway to recreation leading to Cottage Grove and Dorena Reservoirs, the Row River Trail, and the Umpqua National Forest. Peace Health operates a full service hospital and care provider facility, Cottage Grove has a newer Water and Wastewater Treatment Plants and South Lane School District has a newer High School and is currently building a new elementary school. Cottage Grove is small town living at its best.

Pay range: \$3,101-\$3,958 per month.

Full job description and application materials are available online at: www.cottagegrove.org/jobs

Job posting opens April 2, 2018 and closes at 5:00pm, April 27th.
